

2023 COVID-19 WAIVER

The undersigned parent or guardian of _____, an intended participant in the Edgewater Yacht Club Inc. ("EYC") on-the-water activities, acknowledges that by allowing his/her child or ward to participate in on-the-water activities, the child or ward will be engaging in an activity that increases his/her chances of being exposed to and be infected with COVID-19. The undersigned acknowledges that CDC recommended social distancing cannot always be maintained on the sailboats used in EYC's on-the-water activities; that physical contact with other participants is unavoidable during sailing activities; that common surfaces on the boat will be touched by many participants; and that participants are likely to be exposed to aerosols as commands and instructions are shouted to and among participants during on-the-water activities. The undersigned further acknowledges that his or her own personal risk of exposure to and infection by the Coronavirus is increased because of his or her child or ward's increased risk of exposure and infection.

In light of the foregoing, by allowing his or her child or ward to participate in EYC's on-the-water activities, the undersigned releases and waives any and all claims that his or her child or ward might have against Edgewater Yacht Club, Inc. for all damages resulting from the child or ward contracting COVID-19, regardless of whether such claims sound in tort, contract, quasi contract, strict liability, or otherwise, and including but not limited to damages sought for compensation for contracting the disease itself, for death, pain and suffering, decreased quality of life and/or hedonic damages, temporary or permanent disability, lost wages, income, or earnings, or cost of present or future medical and other care. Further, in acknowledgment that the child's participation in EYC's on-the-water activities also increases the risk that the undersigned may contract COVID-19, the undersigned, for himself/herself, and his/her heirs and assigns, personally make the same release and waiver in favor of EYC as set forth above.

This Release is intended to be a full and complete release of any possible claim that the child or the undersigned has against Edgewater Yacht Club, Inc. and is entered into knowingly and voluntarily.
